Monthly PAD A GIRL Activity

In the year 2022, the organization reached 2,019 girls. 2,002 in school girls from government secondary schools and 17 out of school girls with our monthly PAD A GIRL activity in Abeokuta of Ogun state.

ABEOKUTA INTERSCHOOL DEBATE COMPETITION

The rate at which young people drop out of school at secondary school level is alarming. The organization stepped in by organizing a debate competition in Abeokuta to encourage child literacy. This project reached over 130 students directly and more than 1,000 indirectly through the intervention of electronics media.

Cash prizes were given to students that emerged as winners.

IJEBU ILEYA FOOTBALL COMPETITION

An idle hand is said to be the devil's workshop, this is why out of school were not left out in AHF 2022 project. We reached out to 352 youths by engaging them in football competition that cut across Ijebu ode and Ijebu east local government.

AHF SUMMER MEDIA OUTREACH

AHF with the support of Guardian Media Campaign sensitized populace on importance of keeping an eye on their children during holiday time through running of jingles on electronic media and also direct sensitization at Bode olude community of Ogun state. These activities reached over 123 people directly and over 20,000 indirectly with media reach.

MAJOR SPONSOR OF DANIEL AKINTONDE BIANNUAL SPORT COMPETITION

As usual, we answered the call of our dear friend, Daniel Akintonde school of the special children. The School had her biannual interhouse athletics competition this year. This event was organized to make the learners happy. We made the event special by giving present to the houses that emerged as winners and also, every learners went home with a present

ELEGA COMMUNITY MEDICAL OUTREACH

The organization also conducted free medical outreach in collaboration with Elega Estate Progressive Initiative and Healthport. 107 people were screened for blood sugar test, blood pressure and urinalysis. Medical professional were also on ground to give free consultation.
