# Welcome Address

Dear Esteemed Readers,

I extend a warm welcome to our virtual end-of-year board meeting. It is a pleasure to have you all join us today, despite the distance. Your unwavering commitment and guidance have been instrumental in our organization's progress throughout the year.

As we reflect on the past year, I am filled with pride and gratitude for the impactful work we have accomplished across over 8 local governments in Ogun State. Our projects have touched the lives of boys, girls, women, men, and the elderly, making a tangible difference in their communities. **And now, we are honored to have been recognized with the award for Best Project of the Year by YALIOGUN.**

Together, we have empowered individuals and encouraged sustainable development.

# Welcome Address

We have witnessed the transformative power of our initiatives, and I am truly humbled to be part of such a dedicated team.

As we look ahead to 2025, I am filled with optimism and excitement. With your continued support and the unwavering dedication of our team, I am confident that we will achieve even greater heights. We are committed to expanding our reach, deepening our impact, and painting the communities with smile.

Thank you once again for your invaluable contributions. I look forward to a productive and insightful meeting.

## EXECUTIVE SUMMARY

Anwojue Hope Foundation continued its dedicated efforts to bring joy and hope to the lives of the aged, widows, orphans, and other vulnerable groups. By leveraging the foundation's resources and the invaluable support of the Board of Directors, AHF concluded the year with a positive impact on the community.

The focus is on the provision of resources to support the vulnerable groups through our health and food matters initiative, capacity building for in and out of school girls with our summer skills acquisition for adolescents, and to promote education among school girls and boy with our AHF Education initiative.

In 2024, AHF directly impacted the lives of **2,181** individuals through a variety of programs and initiatives.

# 2024 PROJECT OUTLINE

Our primary focus is on empowering vulnerable groups through initiatives such as:

- Health and Food Security:** Provided free medical outreach and food support to elderly community members through the Health and Food Matters initiative.

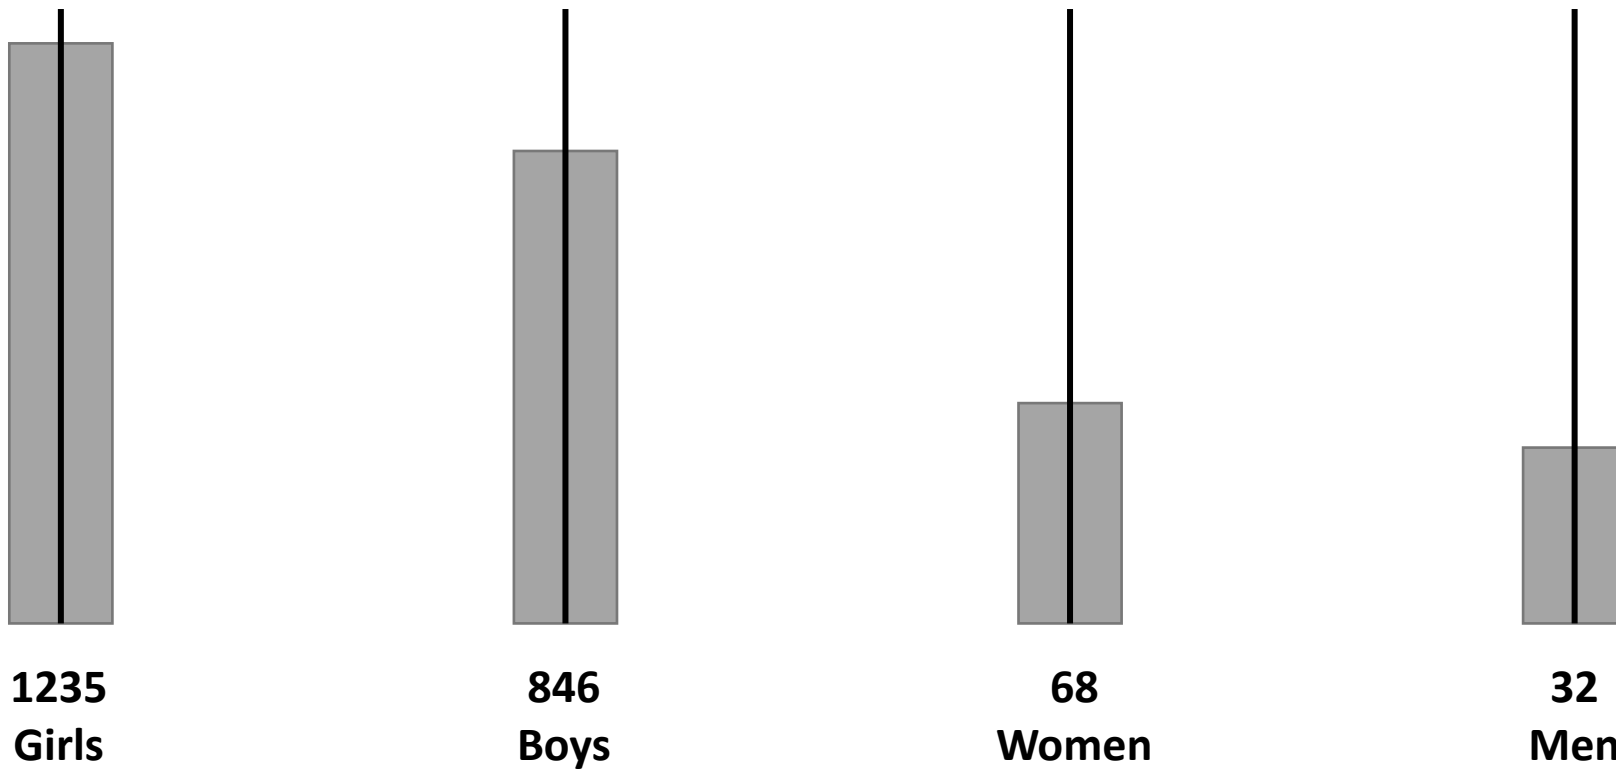

- Skills Development:** AHF provided free summer skills training to 22 adolescent boys and girls, both in and out of school, to equip them for future success.

- Education:** Promoting education for both boys and girls through the AHF Education and sport competition Initiatives.

- AHF STAR:** Empowered adolescent girls through reproductive health education and provided sanitary pads to promote menstrual hygiene.

A significant achievement this year was the distribution of over 1100 sanitary pads to 7 schools in Abeokuta, Ogun State. This initiative directly addressed a major barrier to girls' education, reducing absenteeism.
